For a hotel to obtain a B-Hotel license to sell beer, wine, spirits, and mixed drinks for consumption on the premises, the hotel must provide for the rental of and maintain the availability for rental of 25 or more bedrooms in local governmental units of fewer than 175,000 in population or 50 or more bedrooms in local governmental units of 175,000 or more in population.

How to Apply

All applicants requesting a new B-Hotel license, seeking to transfer ownership of a B-Hotel license, or transferring interest (stock or membership interest) in a B-Hotel license must submit the following:

For a new B-Hotel license or to transfer a B-Hotel license - [Retail License & Permit Application \(Form LCC-100\)](#)

To transfer interest in a B-Hotel license – [License Interest Transfer Application \(LCC-101\)](#)

- **Inspection Fee** - A \$70.00 nonrefundable inspection fee is required for each license requested in an application. For example, if an applicant has requested to transfer a B-Hotel license that has a Specially Designated Merchant license in conjunction, the inspection fee would be \$140.00.
- **License & Permit Fees** – The initial and annual renewal fee for a B-Hotel license is \$600.00, plus \$3.00 per room for each room in excess of 20 rooms. Additional fees will vary based upon whether additional licenses and permits are requested in conjunction with a B-Hotel license.
- **Livescan Fingerprints** – Applicants that have never been licensed through the Michigan Liquor Control Commission must submit fingerprints through the Livescan fingerprinting process - [Livescan Fingerprint Background Request Form](#).
- **Purchase Agreement** – Applicants requesting to transfer a license from another licensee must submit an executed purchase agreement or other documentation

signed by both the applicant and the current licensee, which details the sale of the liquor license(s) and other business assets.

- Purchase agreements must specifically indicate that the liquor license is being sold and provide the purchase price and terms of the sale.
- Purchasers of on-premises licenses must have at least 10% of the purchase price of the business, excluding real estate.
- Purchase agreements that are not for cash only sales and include real estate must list the personal property, including the licenses, and real estate with the terms and price for each.
- If the personal property and real estate are being purchased by separate people or entities, the purchase agreement must indicate those names and who is purchasing which items.
- If the applicant will not pay the full purchase price at closing, the balance due may be covered by a security agreement or promissory note. Alcoholic beverage inventory cannot be included on a security agreement or promissory note.
- **Property Document** – Applicants must provide documentation that demonstrates they will have control over the property that comprises the proposed licensed premises. Property documents include deeds, land contracts, and lease agreements.
 - A provision to reassign the license in the event of a default on a land contract or termination of a lease agreement may be included, but may only provide for the reassignment subject to Commission approval.
 - If the applicant is a company and its members or stockholders own the real estate as individuals or under another company, a lease agreement is needed.
 - If the applicant is an individual and he or she owns the real estate with a spouse or someone else who will not be named on the license, a lease between the applicant and the owners of the real estate is needed.

Licensing Process

- The Licensing Division reviews the application and corresponding documents for completeness and verifies the appropriate fees have been received. If additional documents, fees, or corrections to documents are needed, Licensing will notify the applicant.
- Once all the necessary documents have been received Licensing will submit the request to the Enforcement Division for its investigation. If an applicant has applied for and meets the requirements for a conditional license, the request will be considered by the Commission.
- The Enforcement Division will contact the applicant to schedule an interview with the applicant (and current licensee for license transfers). At this meeting an investigator will review with the applicant documents, including:
 - purchase agreement
 - financial documents
 - property documents
 - other items pertaining to the application
- After the interview, the investigator will prepare a report for the Commission regarding the investigation and submit the request back to Licensing for further processing.
- Licensing reviews the report from Enforcement and any additional documents received during the interview process. The request is prepared for the Commission to consider and placed on a docket for an upcoming licensing meeting.
- The Commission considers the request, including:
 - the liquor license operating history of the applicant (if a current or prior licensee)
 - the arrest and conviction record of the applicant

- whether the applicant meets the requirements for a license
 - the applicant's financial information
 - opinions of the local legislative body or police department, if received.
 - The Commission will approve or deny the request based on these factors. Occasionally, the Commission will request more information from the applicant before making a final decision.
 - After the Commission makes a decision on the request, the file is returned to Licensing for final processing.
 - Approval orders are sent to the applicant requesting any final items before the issuance of the license.
 - Denial orders are sent to the applicant and the applicant may appeal the decision.
 - When all the final items are received by Licensing, the completed request is forwarded to the Renewal Unit for the issuance of the physical license documents.
 - Any changes in financial provisions at the time of closing which do not conform to the terms previously indicated and investigated may require submission of new forms and possible additional investigation.
-
