Bid Process

FLYING LADY is being offered for sale in a sealed bid arrangement starting February 18, 2020, with the close of bidding 1 PM CST February 28, 2020.

Only bids from potential purchasers which have experience, qualifications, and capabilities suitable to take delivery and arrange to remove vessel from its current location shall be considered.

Interested purchasers must pre-register in order to obtain access to additional information or to arrange an on-site, pre-bid, inspection. The Government, will have sole discretion as to the bid process, selection of qualified bidders and the resolution of any disputes. The bid shall warrant and represent that the buyer is ready, willing, and able to close the purchase and pay the offered price in full, in United States dollars if the bid is accepted.

Along with price and proposed terms qualified bids must state a proposed removal date.

THE UNITED STATES GOVERNMENT RETAINS THE RIGHT TO REJECT ANY BID PROCEDURES OR BIDDERS THAT IT BELIEVES IMPROPER AND TO RESOLVE DISPUTES WITH REGARD TO PROCEDURES, BIDDERS, OR BROKERS.

In order to pre-register or obtain further details about the bidding process, please contact Gaston & Sheehan at (512) 251-2780 or by email at auction@txauction.com.

Disclosures

FLYING LADY will be sold "as is, where is". The Government shall not in any way be liable for any losses incurred by a bidder or third party in connection with the purchase, sale, use, or operation of the FLYING LADY. The Government makes no representation, warranty, statement, guaranty, promise, or commitment as to the quality or seaworthiness of the FLYING LADY.
